CANYON DU FOURNEL
From 10/08/24 at 10/08/24

La descente d'un canyon est l'activité aquatique ludique par excellence. Elle consiste à parcourir un canyon dans le sens de la descente en sautant dans les vasques d'eau, en glissant dans le courant des toboggans, en nageant et parfois en faisant des rappels pour franchir certaines chutes d'eau. Ce décor fluide, véritable ruban bleu bouillonnant cerné de verticales rocheuses est un décor propice à l'émerveillement. Le canyoning ne demande pas de compétence particulière sauf de savoir nager. Cette demi-journée de canyon est encadrée par des professionnels spécialistes du canyoning. Pour les groupes constitués nous vous organisons votre descente de canyon à la date de votre choix.

Guiding

By state-certified mountain guides or trainees mountain guides (aspirant guides) to a canyoneering instructor from the Roc Écrins team. They will have a VHF radio connected to the emergency services, a satellite phone or a mobile phone. They will also have a collective first-aid kit.

*A trainee mountain guide is a guide in training who is authorised to work and supervise climbs from their third year of training. They are not beginners, as it takes several years of practice and training to build up a list of routes and have the experience and technical level required to enter the mountain guide training course.

Insurances

To take part in one of our stays, you must be properly insured for the chosen activity (rescue and repatriation costs) in the event of an incident or accident occurring during the stay. (We strongly recommend that this also includes cancellation cover). It is your responsibility to check the cover provided by your personal insurance policy. If you do not have such an insurance, you can take out the EUROP ASSISTANCE contract when you sign up. The amount of the "ASSISTANCE" insurance covering repatriation, rescue and search costs represents 2.4% of the price of the stay. MULTIRISK" insurance covering assistance, cancellation, loss of luggage and interruption of holiday, represents 5.6% of the price of the holiday.

Transport and carbon footprint

Transport from the meeting point to the starting point of the canyon by car pooling among participants.
